Radial & Bias Tire Repair Product Catalogue 2022-2023

Blackstone Rubber Industries Pvt. Ltd.
Tire and Tube Repair Patches & Accessories

Introduction and Quality Assurance

Blackstone Rubber is a 50+ years young organization, grown to become one of India's leading tire Repair materials manufacturers. With expertise in tire retreading of almost all sizes of tires, we have developed tire repair materials with high quality, strength, durability and best performance.

With specialization in Nylon and Radial tire patches for all sizes from passenger cars to large OTR / earth mover tires, we are major suppliers to leading retreaders across India.

We have expanded the boundaries and have become a renowned and reliable supplier of tire and tube repair materials of high quality standards to the international markets as well.

Mr. Basant K. Dhoot - Director

Our Mission is

To provide our customers and their customers with excellent products that are premium and guaranteed. We are committed in delivering our products and services efficiently and effectively to ensure **Peace of Mind**. In short, to offer “**Value for Money**”.

Our Vision is

To become the global leader in providing quality products and services to the tire and tube repair industry.

Warranties

What Is Covered By This Warranty and Exclusive Remedies: Blackstone warrants that the product that is the subject of this sale (“product”) (a) conforms to our published specifications, and (b) is free from defects in material or workmanship. This warranty extends to the original purchaser only. The duration of this warranty is for one year. The warranty period begins on the date of delivery to the original purchaser. If the purchaser discovers within this period a failure of the product covered by this warranty, he must promptly notify us in writing. We must receive this notice during the warranty period or within thirty (30) days thereafter. Within a reasonable time after such notification, we will provide, at our sole option, either replacement product or refund of the purchase price. The remedies listed in this section are the purchaser’s **EXCLUSIVE REMEDIES** for breach of warranty. Any action for breach of warranty must be commenced within 12 months following delivery of the goods to the original purchaser.

What Is Not Covered By This Warranty: Blackstone does not warrant (a) any product, component, or part not manufactured by us, (b) defects or damage caused by failure to provide a suitable environment for the product, (c) defect or damage caused by use of the product for purposes other than those for which it was designed, (d) defect or damage caused by natural or man-made disasters, including but not limited to fire, flood, wind, and lightning, (e) defect or damage caused by unauthorized attachments or modification, (f) damage during shipment, (g) failure to properly maintain product, or (h) any other abuse or misuse of the product.
